Don't go dropping bombs on here
'cos if you start dropping bombs over here
We're gonna have to drop some bombs over there.

All about your doing
But we will be the last boys
Left standing in the ruins
Yes-siree
Good-by-ee
To the twentieth century
Yipee-ya yipee-ya.

Clamping on a stetson

Activate the go code
Get me a citation
When I drop my little load
Yes-siree
Good-by-ee
To the twentieth century
Yipee-ya yipee-ya.

Pleasures of survival
Ain't so tough
Have a real good time in vegas
With all that stuff
Yes-siree
Good-by-ee
To the twentieth century
Yipee-ya yipee-ya.
