A New Found Glory, My Heart Will Go On

Every night in my dreams I see you, I feel you
That's how I know you go on
Far across the distance and spaces between us
You have come to show you go on
Near, far wherever you are
I believe that the heart does go on
Once more you open the door
You're here in my heart and my heart will go on and on
Love can touch us one time and last for a lifetime
And never let go till we're gone
Love was when I loved you one true time I hold to
In my life we'll always go on
Near, far wherever you are
I believe that the heart does go on
Once more you open the door
You're here in my heart and my heart will go on and on
You're here, there's nothing I fear
And I know that my heart will go on
We'll stay forever this way
You're safe in my heart and my heart will go on and on
