Alexander Rybak, All i do is dream of you

All i do the whole night through
Is dream of you
With the dawn, I still go on and dream of you
You're every thought
You're everything
You're every song i ever sing
Winter, summer, autumn and spring
And were there more
Than twenty-four housr a day
They'd be spent in sweet content
Dreamin' away
When skies are gray
When skies are blue
Morning, noon and nighttime too
All i do the whole day through
Id dream of you
When skies of grey
When skies of blue
Morning, noon and nighttime too
All i do the whole day through
Is dream of you
All i do the whole day trough
Is dream of you
