Adina Howard, T-Shirt And My Panties On

Picture this, i'm in my bed
Bodies hot, soaking wet
Thinkin bout the things I'd like to do
I'm open wide when it comes to freakin you
Imagine me, wet as can be
Between my legs, you're tastin me
Boy when you get here you know my love will overflow
And you ain't got to worry bout my clothes
Cause I got my...

T-shirt and my panties on
Just how you like it
T-shirt and my panties on
Waitin for you
T-shirt and my panties on
You can't deny it
T-shirt and my panties
Got my t-shirt and my panties on
(Repeat)

Don't be surprised, when you come inside
Saddle up, and be prepared to ride
Up and down, back and forth
Can you feel me
Baby why don't you just
Take your time, tonight you're mine
Gonna turn around, hit it from behind
Boy now that you're here you know my love will overflow
And you ain't got to worry bout my clothes
Cause I got my...

T-shirt and my panties on
Just how you like it
T-shirt and my panties on
Waitin for you
T-shirt and my panties on
You can't deny it
T-shirt and my panties
Got my t-shirt and my panties on
(Repeat)

Don't you know i'm feelin
I'm feelin kinda sexy
Now that we are all alone
Baby can we do the nasty
In the privacy of my own home
Baby come a little closer
So come a little closer
I unplugged all the telephones
Because tonight is special
I got my t-shirt and my panties on

T-shirt
I'm waitin for you
Panties
I'm waitin for you

Stop watcha doin cause I'm all alone
Got my t-shirt and panties on
I'm waitin for you so when you get home
Got my t-shirt and panties on...
