Agent Orange, Speed Kills

they can make things worse for me,
sometimes id rather die
they can tell me lots of things,
but i cant see eye to eye
i know they know the way i think,
know they always will
someday im gunna change my mind,
sometimes id rather kill

blood stains, speed kills
fast cars, cheap thrills
rich girls, fine wine
ive lost my sense, ive lost control, ive lost my mind

things seem so much different now, the scene has die away
i havent got a steady job and ive got no place to stay
well its a, futuristic modern word,
things arent what they seem,
someday youd better wake up
from this stupid fantasy

blood stains, speed kills
fast cars, cheap thrills
rich girls, fine wine
ive lost my sense, ive lost control, ive lost my mind

(solo)

blood stains, speed kills
fast cars, cheap thrills
rich girls, fine wine
ive lost my sense, ive lost control, ive lost my mind
