Here he comes
Here comes Speed Racer
He's a demon on wheels
He's a demon and he's gonna be chasin' after someone.

Yeah! Whoo!

Feel so good behind this wheel
Get my stomach turning
Speed Racer
Hit The Gas
Smell the rubber Burnin
VROOOM!
Gotta get with him He's the top prize
How can I not love him when he's better than the bad guys?
