Baccara, Carino

Carino
Fuerte carino
Carino
Fuerte carino
Ill miss your smile
your lovin eyes.
The way you look at me
just make me realize:
Now that you wave
your last good-bye
deep in my heart I feel
our love will never die.
I call your name
but youre walking away.
Carino to make you stay
with me forever and and ever.
Refrain:
... carino
who am I to carry on,
how can I hold on so long?
Fuerte carino
stay with me oh carino
to let me my summer love.
I pray to the skys above
... carino
Carino
Fuerte carino
Carino
Fuerte carino
Through sleepness nights
Ill think of you.
I know Ill never find
another love so true.
I call your name
but youre walking away.
Carino to make you stay
with me forever and and ever.
Refrain
Carino
Fuerte carino
Carino
Fuerte carino
Carino
who am I to carry on,
how can I hold on so long?
Fuerte carino
stay with me oh carino
to let me my summer love.
I pray to the skys above
