Ben Harper, Figth for your mind

If you're gonna live
then live it up
and if you're gonna give
then give it up
if you're gonna walk the earth
then walk it proud
and if you're gonna say the word
you got to say it loud
you got to fight for your mind
you got to fight for your mind
while you got the time
you got to fight for your mind
if you're gonna build a house
make it a home
if you're gonna pull some weight
pull your own
if you're gonna help
reach out your hand
if you're getting up
then take a stand
you got to fight for your mind
you got to fight for your mind
while you got the time
you got to fight for your mind
if you're gonna step
step on in
if you're gonna finish
you got to begin
don't you fear
what you don't know
just let that be
your room to grow
you got to fight for your mind
you got to fight for your mind
while you got the time
you got to fight for your mind
