Bjork, Anyone Who Had A Heart

(Cover live at Union Chapel 99 / Burt Bacharach / Hal David)

Anyone who ever loved - could look at me and know that I love you
Anyone who ever dreamed - could look at me and know I dream of you
Knowing I love you, so

Anyone who had a heart -would take me in his arms and love me too
You wouldn't really have a heart - and hurt me like you hurt me
And be so untrue - what am I to do?

Every time you go away - I always say this time it's goodbye dear
Loving you the way I do - I take you back
Without you I'd die dear - knowing I love you, so

Anyone who had a heart -would take me in his arms and love me too
You couldn't really have a heart - and hurt me like you hurt me
And be so untrue - what am I to do?

Knowing I love you, so - anyone who had a heart
Would take me in his arms and love me too
You couldn't really have a heart - and hurt me like you hurt me
And be so untrue
Anyone who had a heart
Would take me in his arms and always love me
Why won't you?

Anyone who had a heart would simply take me
In his arms and always love me -why won't you?, yeah
Would take me in his arms and always love me
Why won't you?
Anyone who had a heart
