Armand Van Helden, You Don't Know Me

Refrain:
You dont even know me,
you say that Im not livin fine.
You dont understand me,
so why do you judge my life.

I dont ask for nothing,
Im always rolling back home.
Every time I turn around, thats something,
people talk about, but they dont know.
And when I try to move on up
theyre always pullin me down.
Im tired and I had enough.
Its my life and I livin it now.
You dont know me

Refrain:
You dont even know me, (You dont know me)
you say that Im not livin fine.
You dont understand me,
so why do you judge my life.

I always wonder why
people try to hurt me.
No happiness in their own lives,
so they act there all to tell is he.
Who are you, say that I livin wrong,
always telling me, what to do.
I decide that gotta be strong.

What makes you think that I needin you?
You dont know me

Refrain:
You dont even know me,(Ohh, you dont know me)
you say that Im not livin fine.(You dont understand the way that I feel)You dont understand me, (You cant increase my pain)
so why do you judge my life. (Oohhhhh)
You dont even know me,(You dont even know)
you say that Im not livin fine.(But I will go)
You dont understand me,(Tell me, who are you)
so why do you judge my life.(so why do you judge my life)

Uuhhhhhhh, ohh
Who are you?
You say I not livinright
Anything I try to do
You having walked in my shoes
Im gonna move on
Its my life, its my life
Its my life, its my life
Its my life, its my life

AAAaaahhhhhhhhhhhhhhhhhh

Refrain:
You dont even know me,
you say that Im not livin fine.(You dont understand ...)
You dont understand me,so why do you judge my life.(Everything I try to do)
