Chicago, Now That You've Gone

(James Pankow)

Take a closer look inside yourself
You may see the love I left behind
Days were fast but full of life
We laughed at everything
Now you've gone time is standing still
I don't do anything I'm so alone
So lonely
Still I can recall
The happy times
Laughing arm and arm
So alive
Was it years ago
Or just a day
When you turned to me
Said goodbye
Now you've gone away
I don't know why
Did you have to lie
Walk away
How can I go on
In emptiness
Feeling so alone
Every day
