Melanie Martinez, TUNNEL VISION

Follow the tunnel into the portal Lay all your burdens to rest

Drink from the fountain, death's holy water

Watch as you're put to the test

I make them panic, it's satanic how I bend my body

Yeah, you can look, but you can't touch, I'm not just anybody

Caught in the haze and hypnotized and you're too thirsty

Open your view and you will find, stop searching

Eyes on the prize, thought the cherry would be better than the pie

You like that, like that, that, like that

That's your demise, yeah, you hold me like you're rushing to my thighs

Too fast, too fast, fast, too fast

But your focus is empty, tunnel vision then dead me

Honeysuckle and fresh meat, but I'm more than that, more than that

Playing house to distract me, but you're no good at acting

Obvious what you're after, and I'm more than that, more than that

And I'm more than that, more than that

They always hustle for the pussy, so they'll never get it

I make them tumble down the hill they climbed, I don't regret it

I saw that trick fall out your sleeve, and I'm so certain

You hum a tune I don't believe, and it ain't working

Eyes on the prize, thought the cherry would be better than the pie

You like that, like that, that, like that

That's your demise, yeah, you hold me like you're rushing to my thighs

Too fast, too fast, fast, too fast

But your focus is empty, tunnel vision then dead me

Honeysuckle and fresh meat, but I'm more than that, more than that

Playing house to distract me, but you're no good at acting

Obvious what you're after, and I'm more than that, more than that

And I'm more than that, more than that

Crossing my heart, I'd rather die (oh, oh)

Than be the needle in your eye (oh, oh)

Show me how far obsession goes (oh, oh)

Could've been more, now we'll never know
