Enrique Iglesias, Say It

Oh Ohoh ohohohoh
Oh Ohoh ohohohoh oh oh yeah.....

Dont tell me,
If your leaving in the morning,
I don't wanna have a warning,
If your not here,
Just take me,
Please take me for the last time,
Coz baby now is not the right time,
For us to be scared.

Yes i know i wasn't perfect when we fought and cried all those nights,
But the passion that we have is too strong, to give up the fight,

So i need you to say it,
If you really want to let me go
Coz i don't believe, you know i don't,
Won't you tell me the truth,
Yes i need you to say it,
If you really want this love to end,
Look me in the eye and don't pretend,
That what we have is through,

Don't tell me,
If there is someone else inside you,
Doing all the things that i do,
Coz i don't want to hear,

Just take me,
Don't want to feel no-more resistance
No we don't have to go the distance,
Cause we're already there,

Yes i know i wasn't perfect when i ran and lied all those times,
But the passion that we have is too strong, to give up the fight!

[Chorus]
So i need you to say it,
If you really want to let me go
Coz i don't believe, you know i don't,
Won't you tell me the truth,
Yes i need you to say it,
If you really want this love to end,
Look me in the eye you can't pretend,
That what we have is through,

All those times we fought
I made you cry,
I'm sorry,

[Chorus x3]

(i want you to say it,
I need you to say it,

I want you to say it,
I need you to say it,

That what we have is through)

Oh Ohoh ohohohoh
Oh Ohoh ohohohoh oh oh yeah.....
