# Christina Aguilera, Genie In A Bottle(Full Version)

I feel like I've
been locked up tight
for a century of lonely nights
Waiting for someone
to release me
You're lickin' your lips
and blowing kisses my way
But that don't mean
I'm gonna give it away
Baby baby baby (baby baby baby...)
Ooohhh, 'my body's sayin' lets go'
Ooohhh, 'but my heart is sayin' no'
If you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle
You gotta rub me the right way
If you wanna be with me
I can make your wish come true
You gotta make a big impression
Gotta like what you do
I'm a genie in a bottle baby
Gotta rub me the right way honey
I'm a genie in a bottle baby
Come come, come on in and let me out
The music's playing
and the lights are low
Just one more dance
and we are good to go
Waiting for someone who needs me
Horemones racing
at the speed of light
But that don't mean
It's gotta be tonight
Baby baby baby (baby baby baby...)
Ooohhh, 'my body's sayin' lets go'
Ooohhh, 'but my heart is sayin' no'
If you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle
You gotta rub me the right way
If you wanna be with me
I can make your wish come true
Just come and set me free babe
And I'll be with you
'I'm a genie in a bottle baby
Gotta rub me the right way honey
I'm a genie in a bottle baby
Come come, come on in and let me out'
'I'm a genie in a bottle baby
Gotta rub me the right way honey (If you wanna be with me)
I'm a genie in a bottle baby
