Deep Purple, The Orange Juice Song

Orange juice,
Just thinkin bout that orange orange juice
orange juice,
just thinkin bout that orange orange juice

Some peeps
say orange juice is yellow
but I say
orange juice is mellow
with a lil more orange
in that orange orange juice

Orange juice,
Just thinkin bout that orange orange juice,
orange juice,
just thinkin bout that orange orange juice

Some peeps,
say orange juice is yucky
but I say
orange juice is lucky
with a lil more spunk
in that orange orange juice

Orange juice,
just thinkin bout that orange orange juice,
orange juice,
just thinkin bout that orange orange ju-u-u-u-uice.
