Jill Scott, I Keep / Still Here

Some of them wanna break you down, steal your crown
Use and abuse you.
Some of them smile in your face, cause they heard it some place,
You got more then their used to
Some of them want to steal your love, ooh
Cuz they're jealous of how you're living and giving.

I keep
Moving forward, pressing onward, striving further
I keep
Keep on laughing, keep on living, keep on loving yeah
I keep
Keep on dreaming keep on achieving, keep on believing
I keep
I keep smiling when I come thru and I cry when I need too.

Some of them, oh they stab you in your back, cuz it's love they lack.
Some of them won't even try to see the good inside.
But I .

I keep
Moving forward, pressing onward, striving further
I keep
Keep on laughing, keep on living, keep on loving yeah
I keep
Keep on dreaming keep on achieving, keep on believing

Hey. Oh oh oh
I keep on , keep on living, keep on learning , keep on smiling ooh ooh yeah
Keep on laughing, keep on living, keep on loving yeah
I keep
Keep on dreaming, keep on believing, keep on achieving.
I keep smiling when I come thru, and I cry when I need to

I am a mountains story
I am a quiet feeling
I am a fragrant flower
I am a moonlit evening
I am a peaceful night
I am a writers thinking
I am a wealth unfathomed
And if you don't recognize my presence, I am here
And if you don't recognize me, I am here

I am a source of power
I am excited journey
I am the rock of patience
I am a whisper singing
I am unbridled freedom
I am the thought from thinking
I am a love unshattered
I am the great orgasm

And if you don't recognize my presence, I am here
And if you don't recognize my presence, I am here

And even if you don't recognize me, Im still here

And even if you don't recognize me

And even if you don't recognize me, Im still here
And even if you don't recognize me, I am, oh, I'm still here

Even if you don't recognize me, I'm here, I'm here, I'm here
