Katy Perry, Hot n' cold

You change your mind
Like a girl changes clothes
Yeah you P.M.S.
Like a bitch
I would know
And you over-think
Always speak cryptically
I should know
That you're no good for me

'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You, you don't really wanna stay no
You, but you don't really wanna go, oh
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down

We used to be
Just like twins
So in sync
The same energy
Now is dead battery
Used to laugh
About nothing
Now you're plain boring
I should know
That you're not gonna change

'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You, you don't really wanna stay no
You, but you don't really wanna go oh
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down

Someone call the doctor
Got a case of love bipolar
Stuck on a roller coaster
And I can't get off this ride...

You change your mind
Like a girl changes clothes

'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out

You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You, you don't really wanna stay no
You, but you don't really wanna go oh
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
