Delta Goodrem, Just A Normal Girl

The grounds shakin, an earthquakes comin,
Let me inside, I got nothin to hide
ooo yeah, nothin (nothin to hide)

Chorus:
*The crowds shoutin for me (for me)
I'm the one they want to see (want to see)
clap along to my song, oh I can't live, if I can't sing
It's everything, to me, ooo
I don't wanna be, one of those people
Who are never seen (ooo, never seen) I'm just anormal girl
A normal teen (normal teen) I love that chocolate swirl ice cream
I hate those ones who judge you, before they even know you
I hate those hoes, those hardcores
I dont wanna be part of their gang, their clique, whatever*

I've got my friends, the fun never ends
I've got my family, I've got my relitives
Come on now, I dont want you to shout
Help me show, what this song's all about
I'm sick, I'm tired, sick of all this, this fightin
Oh, I dont wanna be, one of those people
Who are never see (ooo, never seen) I wanna be famous
I wanna be reconised, I want only a little house
I want a surprise (whoa oh yeah)
