Camel, Lies

(Latimer/Hoover)

Tell me no lies,
has peace arrived...
Or, is this some kind of joke?

What a surprise,
you don't realise...
There's some things you don't own.

Can you disguise,
can you simplify...
This change you put me through?

Can you revive,
and will I survive...
This life you've brought me to?

Physically and emotionally exhausted, Nude was confined to a
sea-side resort nursing home.
His war had finally begun.
