# Lisa Stansfield, I Want To Break Free

I want to break free
I want to break free
I want to break free from your lies
You're so self satisfied I don't need you
I've got to break free
God knows
God knows I want to break free

I've fallen in love
I've fallen in love for the first time
And this time I know it's for real
I've fallen in love
God knows
God knows I've fallen in love

It's so strange but it's true
Oh, I can't get over the way you love me like you do
But I've got to be sure
When I walk out that door
Ooh, I've got to be free, baby
I want to break free
Ooh, I want to break free

Ah, life goes on
I can't get used to living without
Living without you by my side
I don't want to live alone
So baby can't you see
Oh, I've got to break free
Baby, baby can't you see
I've got to break free
Baby, can't you see
God knows I want to
God knows I want to
God knows I want to break free
