CeCe Winans, You Are Loved

Yes, oh yeah
When I promised I'd be there
And told you I would always care
Well, I meant every word
And I know it's hard to let me close
Those times that really hurts the most
I'm trying desperately to be heard
Though you try to push me away
I can feel your sorrow
You don't have to be afraid
'Cause you, you are loved, somebody told me to tell you
You've been waiting for someone to say
You are loved, so let your heart be encouraged
It's gonna be okay, 'cause you are loved
No, you're not alone, you've got a friend
To be by your side from the start till the end
And I will always be around for you
So whenever, you began to doubt
Oh, my love for you will show
Just how I'm faithful and that I remain true, oh yeah
No matter what life takes you through
You see I will be the one
That you can always come back to
'Cause you, you are loved, somebody told me to tell you
You've been waiting for someone to say
You are loved, so let your heart be encouraged
It's gonna be okay, 'cause you are loved

Believe within your heart from this moment on
There's someone who loves you in a special way
No matter what you do, no matter what you say
Just remember this everyday
You are loved, somebody told me to tell you
You've been waiting for someone to say
You are loved, so let your heart be encouraged
It's gonna be okay, you are
You are loved, somebody told me to tell you
You've been waiting for someone to say
You are loved, so let your heart be encouraged
It's gonna be okay, you are loved
You are loved, yes, you are
Someone told me to tell you
You are loved
Someone told me to say
You are loved
Someone told, somebody told me to tell you
Someone told me to say, you are loved
You gotta believe, you are loved
Someone told me to tell you
Told me to say that you are loved
You are loved, you are loved
Somebody told me to tell you
You are loved, you are loved
You are loved, you are loved
