Christina Aguilera, Genie In A Bottle (Disney Vers

Written by Steve Kipner, David Frank, Pam Sheyne

I feel like I've been locked up tight
For a century of lonely nights
Waiting for someone, to release
ya lickin yo lips and blowin kises my way
but that dont mean im gonna give it away
baby,baby,baby
Oh oh oh oh oh (my bodys sayin saying let's go)
Oh oh oh oh oh (but my heart is saying no)

If you wanna be with me
Baby there's a place to be
I'm a genie in a bottle
You gotta like me the right way
If you wanna be with me
I can make your wish come true
You gotta make a big impression
Gotta like what you do

I'm a genie in a bottle baby
Gotta treat me the right way I'm a genie in a bottle baby
Come, come, come on and let me out

The music's banging
And the light's down low
Just one more dance
And then im good to go
Waiting for someone, who needs me
Especially for the one who holds my hand
If I'm down you'll pick me up again
Baby, baby, baby (baby, baby, baby)

Oh oh oh oh oh (my body's saying let's go)
Oh oh oh oh oh (but my heart is saying no)

If you wanna be with me
Baby there's a place to be
I'm a genie in a bottle
You gotta like me the right way
If you wanna be with me
I can make your wish come true
Just come and set me free, baby
And I'll be with you

I'm a genie in a bottle baby
Gotta treat me the right way honey
I'm a genie in a bottle baby
Come, come, come on and let me out

I'm a genie in a bottle baby
Gotta treat me the right way honey
(If you wanna be with me)
I'm a genie in a bottle baby
Come, come, come on and let me out

Oh oh oh oh oh (my body's saying let's go)
Oh oh oh oh oh (but my heart is saying no)

If you wanna be with me
Baby there's a place to be
I'm a genie in a bottle
You gotta like
me the right way

If you wanna be with me
I can make your wish come true
You gotta make a big impression
Gotta like what you do

If you wanna be with me
Baby there's a place
to be
I'm a genie in a bottle
You gotta like
me the right way
If you wanna be with me
I can make your wish come true
Just come and set me free, baby
And I'll be with you

I'm a genie in a bottle baby
Come, come, come, on and let me out
