Eros Ramazzotti, Coisas Da Vida

So situaes humanas
Os momentos de nós dois
As paixes e as distncias
Procurando explicaes
Hoje, como sempre
Estou pensando em voc... em voc

They're just human contradictions
Feeling happy, feeling sad
These emotional transitions
All the memories we've had
Yes, you know it is true
I just can't stop thinking of you

No, I just can't pretend
All the time that we spent could die
Wanna feel it all over again
All the love we felt then

Coraes amarrados que nunca encontram paz
Existe at esse orgulho, solido a dois
Estou pensando em ti
Estou pensando em nós

So as coisas dessa vida
Sei que as vezes assim
Some for worse and some for better
But through it all we've come so far

Mal voc v
E no procura entender
Porque
Tenho sonhos só e esta cano
E sinto o mundo me fugir das mos, porque
What is life without a dream to hold?
Take my hand and never let me go

It's part of life together
But what future does it hold?
So as coisas dessa vida
Que vivi por voc, por voc

Yes, you know it is true
I just can't stop thinking of you

E esta noita que chega to calma vai trazer
Todo o seu silncio, seu mistrio

If our hearts miss a beat
Or get lost like a ship at sea
I want to remember, I can never forget

Can't stop thinking of you,
Estou pensando em ti
Can't stop thinking of you
