Cream, N.S.U.

Driving in my car,
Smoking my cigar,
The only time I'm happy's when I play my guitar.

Ah, ah, ah, ah, ah,
Ah, ah, ah, ah, ah.

Sailing in my yacht,
What a lot I got,
Happiness is something that just cannot be bought.

Ah, ah, ah, ah, ah,
Ah, ah, ah, ah, ah.

Hopping in and out,
Hopping up and down,
I don't want to go until I've been all around.

Ah, ah, ah, ah, ah,
Ah, ah, ah, ah, ah.

What's it all about,
Anyone in doubt,
I don't want to go until I've found it all out.

Ah, ah, ah, ah, ah,
Ah, ah, ah, ah, ah.
