Destiny's Child, Is she the reason

I thought that this was something
(This)
Promising that one day
This would turn into something
(This)
Thought that feelings
Were starting to grow
I didn't have to guess
Starting being skeptical
Always unavailable
Like ya didn't know
But now I'm feelin' something
(This)
Tellin' me this may not be
That real something that
You was showing me
Now I'm ready
And you runnin'
Damn you got me open
Now I'm feelin' like I'm chokin'
Now where I'm to go?
I can't
Believe that you
Can't feel my heart
And I can't
Believe you let me
Fall so hard
Stop playin'
How could you
Let it go this far?
If you had doubts
That I wasn't the one
You said
That your the type
To take it slow
You said
Before I stepped
I'd let you know
Stop playin'
Before you let me
See you with her
You coulda told me
A change was gon' come
Is she the reason
You don't call
Like you use to
Ball thru my hood
Like you use to
Put it on me hard
Like you use to do
I'm feelin'
My mind know
What's goin' on
But my heart
Won't ket me move forward
'Till I know
Is she the reason
That my calls
Couldn't reach ya
The deepest of my love
Couldn't please ya
Or bring it to me home
Like you use to do
Seeing her fallin'

For your charm
Had me feelin'
Like I wasn't
Good enough
See I know we not offical
(No)
Us being offical
Ain't ever been an issue
(No)
It came down to us
But remember we was different?
You said that we'd talked
If ever had a problem bout anything
I was cool with no committment
WAIT!!!
Let me take that back
It was you, so I was with it
(See)
I guess I didn't get
When you showed
You didn't miss it
Now it seems that
Your instrest ain't here
Clearly ain't the same
I can't
Believe that you
Can't feel my heart
And I can't
Believe you let me
Fall so hard
Stop playin'
How could you
Let it go this far?
If you had doubts
That I wasn't the one
You said
That your the type
To take it slow

For your charm
Had me feelin'
Like I wasn't
Good enough
All you had to say
Was this ain't what
You want
I wouldn't be so hurt
If I could just move on
You had me beliving
That everything
Was my fault
But I can see it now
It's a situation
That I must let go
Cause you ain't
Gonna be a man
And let me know
I guess me seeing you
With her
Tells it all
Is she the reason
You don't call
Like you use to
Ball thru my hood
Like you use to
Put it on me hard
Like you use to do
I know in my mind
What's goin' on
But my heart
