

10,000 Maniacs, Dallas

[Jimmie Dale Gilmore]

Chorus:

Did you ever see Dallas from a DC-9 at night?

Dallas is a jewel

Yeah, Dallas is a beautiful sight

Dallas is a jungle

But Dallas gives a beautiful light

Did you ever see Dallas from a DC-9 at night?

Now Dallas is a woman who will walk on you when you're down

But when you are up she's the kind you wanna take around

Now Dallas ain't a woman to help you get your feet on the ground

And Dallas is a woman who will walk on you when you're down

Oh, I came into Dallas with the bright lights on my mind

I came into Dallas with a dollar and a dime

Dallas is a rich man with a death wish in his eyes

A steel concrete soul with a warm-hearted love in disguise

A rich man who tends to believe in his own lies

I say, Dallas is a rich man with a death wish in his eyes

Oh, I came into Dallas with the brights lights on my mind

I came into Dallas with a dollar and a dime

Chorus
