Ellie Goulding, I Know You Care

Aaaaa, aaaaaaaa...

Clinging to me
Like a last breath you would breathe
You were like home to me
I don't recognize this street

Aaaaa, aaaaaaaa...

Please don't close your eyes
Don't know where to look without them
Outside cars speed by
I've never heard them until now

I know you care
I know it is always been there
But there is trouble ahead I can feel it
You were just saving yourself when you hide it
Yeah I know you care, I see it in the way you stare
As if there was trouble ahead and you knew it
I'll be saving myself from the ruin
And I know you care

Aaaaa, aaaaaaaa...

I used to run down the stairs
To the door and I thought you were there
To shape to comfort of us
Two lovers locked out of love
Oh, but I know you care
I know it is always been there
But there is trouble ahead I can feel it
You were just saving yourself when you hide it
Yeah I know you care, I see it in the way you stare
As if there was trouble ahead and you knew it
I'll be saving myself from the ruin

I know it wasn't always wrong
But I've never known a winter so cold
No I don't want my hands in the cold
But I still hope
'Cause this is how things ought to have been
And I know the words are there
Wasn't all that it seemed

Why can't I dream, why can't I dream?
Cause I know you care and I know you care
I know you care I know you care
I know it's always been there
