Professor Green, Remedy (feat. Ruth Anne)

Ruth Anne:
I sell it by the bottle
Oh I'll make it last all night
Don't worry 'bout tomorrow
I got the remedy
Oh, we let it go
So won't you come sit next to me I got the remedy oh, you never know
oh i could give you what you need
i got the remedy

Professor Green:
My life's enough for anyone to get gassed
I could hit a bungalow
8 in a bin bag and still get a quick lash table looking like November the 5th
I won't remember anything memories are myths I'm a piss artist. It's an art to me last seen partying
true its half ten. and I'm looking in the mirror at me so how come I can see two and a half men?

Ruth Anne:
I sell it by the bottle
Oh I'll make it last all night
Don't worry 'bout tomorrow
I got the remedy
Oh, we let it go
So won't you come sit next to me I got the remedy oh, you never know

oh i could give you what you need
i got the remedy

Professor Green:
She got me in her eyes no c.s. I'm in a vibe on a hype I could go all night no re-est flow b-est no t-e
got chicks brain training no d.s. Jolly cuase I bring my buds between my thigh and my ball's a bag a
and high won't somebody body send Kate Nash my love?In a state of confusion soberness is a pro
I'm gonna start a revolution with my recipe put it in a bottle
call it the remedy anybody every say they'll better me in rap?
You know I got the remedy for that are you mad?
You need medicine, therapy in fact and you know i got the remedy for that are you mad blood?

Ruth Anne:
I sell it by the bottle
Oh I'll make it last all night
Don't worry 'bout tomorrow
I got the remedy
Oh, we let it go
So won't you come sit next to me I got the remedy oh, you never know
oh i could give you what you need
i got the remedy

Oh we let it go
so won't you come sit next to me I got the remedy oh. you never know oh i could give you what you
