Richard Ashcroft, Check Thew Meaning

When I'm low, and I'm weak, and I'm lost
I don't know who I can trust
Paranoia, the destroyer, comes knocking on my door
You know the pain drifts to days, turns to nights
But it slowly will subside
And when it does, I take a step, I take a breath
And wonder what I'll find
Can you hear what I'm saying?
Got my mind meditating on love, love
Feel what I'm saying
Got my mind meditating on love, love
(The human condition, the human condition)
Too much blood, too much hate, turn off the set
There's got to be something more
When Mohammed, Allah, Buddah, Jesus Christ
Are knocking down my door
I'm agnostic getting God, but man
She takes a female form
There's no time, no space, no law
We're out here on our own
Can you hear what I'm saying?
Got my mind meditating on love, love
Feel what I'm saying
Got my mind meditating on love, love
Check the meaning

Guess it's life, doing it's thing
Making you cry, making you think
Yeah life, dealing it's hand
Making you cry and you don't understand
Life, doing it's thing
Making you cry now, making you think of
Pain, doing it's thing
Making you cry yeah, making you sing
Don't say it, don't say it's too late
Don't, don't say it's too late (It's never too late, it's never too late)
Don't, don't say it's too late (It's never too late)
Don't, don't say it's too late

That's my reality
And while the city sleeps we go walking
It's a beautiful world
And when the city sleeps we go walking
We find a hole in the sky and then we start talking
And then we say "Jesus Christ, Jesus Christ, Jesus Christ
Buy us some time, buy us some time"
Hear what I'm saying
