Fame, Alone

Laying alone
Hearing your voice from the pouring rain
Missing your touch
Will it never ever be the same again?

Would I be through to you?
Should I belong to you?
I'm holding on
It's all because of you

Walking alone
Calling your name in the cold hard wind
Looking for love
Will it never ever be the same again?

Would I be through to you?
Should I belong to you?
I'm holding on
It's all because of you

REF:
I don't wanna be along
I just wanna hold you once again
It's always so mush more
I need to say to you
I don't wanna be alone
I just wanna hold you once again
The only thing I never wanna be
Alone

The moon tonight
The treating wining air from the station
(From the station)

Leaving tonight
Alone on the highway

Would I be through to you?
Should I belong to you?
I'm holding on
Together we'll be strong
No....

REF:
I don't wanna be along
I just wanna hold you once again
It's always so mush more
I need to say to you
I don't wanna be alone
I just wanna hold you once again
The only thing I never want my babe
Never ever
Alone

I just wanna hold you once again
It's always so mush more
I need to say to you
I don't wanna be alone
I just wanna hold you once again
The only thing I never wanna be
Alone
