Kooks, The Window Song

I look out, of my window
Oh just to see her arrive
But she'll be gone, just as soon as I open my eyes
Just as soon as I open my eyes

And is this a dream, that I'm having
Oh it all seems so real
Cause she'll be gone, just as soon I open my eyes
Just as soon I open my eyes

And I gave her so very much
And I never never give enough
This love is turning me, into something that I'm not
And I've got my problems, yes
Oh I've got to be the best
Oh this jealousy is turning me upside down

I look out of my window
