Simple Plan, (feat. K'naan) Summer Paradise

Take me back, take me back
Back to summer paradise

My heart is sinking
As I'm lifting up above the clouds
Away from you
And I can't believe I'm leaving
Oh, I don't know, no, no, what I'm gonna do

But someday I will find my way back to where
Your name is written in the sand

'Cause I remember every sunset
I remember every word you said
We were never gonna say goodbye
Singing la da da da da
Tell me how to get back to
Back to summer paradise with you
And I'll be there in a heartbeat
I'll be there in a heartbeat

My soul is broken
Streets are frozen
I can't stop these feelings melting through
And I'd give away a thousand days
Oh, just to have another one with you
(What do you say?)

Where real life can wait
(It can wait)
We're crashing like waves
(Uh huh)
We're playing in the sand
(Me and you)
Holding your hand

'Cause I remember every sunset
I remember every word you said
We were never gonna say goodbye
Singing la da da da da
Tell me how to get back to
Back to summer paradise with you
And I'll be there in a heartbeat
I'll be there in a heartbeat

I remember sunny mornings and summer evenings
Now you're not next to me and I am freezing
Was it real, or, baby, tell me, was I dreaming?
How can you show me paradise when I'm leaving?
Now my heartbeat is sinking
Hope's shrinking
When I try to speak, no words; lip-syncing
Hope this is not just wishful thinking
Tell me that you care
And I'll be there in a heartbeat

Someday I will find my way back to where
Your name is written in the sand

'Cause I remember every sunset
I remember every word you said
We were never gonna say goodbye
Singing la da da da da
Tell me how to get back to

Back to summer paradise with you
And I'll be there in a heartbeat

I remember when we first kissed
And how I didn't want to leave your lips
And how I never ever felt so high
Singing la da da da da
So tell me how to get back to
Back to summer paradise with you
And I'll be there in a heartbeat
And I'll be there in a heartbeat
(Summer paradise)
I'll be there in a heartbeat
