Simple Plan, I Don't Wanna Go To Bed (featuring

I gotta tell you the truth
I'm full of broken pieces and all my nights are sleepless
And I don't mean to be rude
This secret can you keep it? Won't give up even if it
Takes me all night, takes my whole life
Just won't feel right until I have you
Tired eye burn, when will I learn?
Tell me what to do

I don't wanna go to bed
I don't wanna go to bed
I don't wanna go to bed
I don't wanna go to bed without you

Let's get this out of the way
Why should be wait forever? We're meant to be together
I'm not ashamed to say
You don't remember my name, but I still want you the same
Love at first sight left me tongue tied
Just won't feel right until I have you
Tired eye burn, when will I learn?
Tell me what to do

I don't wanna go to bed
I don't wanna go to bed
I don't wanna go to bed
I don't wanna go to bed without you

[Nelly:]
I don't wanna go to bed without you
No you, no life, no sleep without you
Go crazy with you, go crazy without you
Her dreams, her nightmares about to ya
Can't lie, love at first sight
Love at first night, I took my first bite
I'm insane when I take aim,
Like I can't change with middle range
Love at first sight left me tongue tied
Just won't feel right (until I have you)
Tired eyes burn, when will I learn?
Tell me what to do!

I don't wanna go to bed
I don't wanna go to bed
I don't wanna go to bed
I don't wanna go to bed without you
