Mans Zelmerlow, Whole New World

Every moment we wake-up
Every moment you smile at me
I'll be wishing for a contribution,
to my you-fund, just to keep you smiling at me.
There's no kiss and make-up
We'll there's some make-up but it's on your skin
What I'm trying to say there ain't no fighting,
criminalizing, wondrin' what the hell I didin't do.
Oh babe I'm bounding around,
just the thought of you
Makes by body tremble, it's true.
It's a whole new world
And I never wanna find my way back again
It's a whole new world
And I'm trying to understand how this could happen.
Cause baby when you're around.
It's a whole new wrold.
Listen baby it's badtime
Already longing for sunrise.
I'll be lying with eyes wide open,
wishin' and hoping, you'll wake up and smile at me too.
Imagining paradise
Must be something like my life
I tell you I'm like Adam with an exception,
eating teh apple but I'm keeping it too.
Oh babe I reckon with time
we'll grow older too
But my wrinkles will look better with you.
It's a whole new world
And I never wanna find my way back again
It's a whole new world
And I'm trying to understand how this could happen.
Cause baby when you're around.
It's a whole new wrold.
Lovin you 'til the end of time
And I know it's forever
Looking into those sparkling eyes
And I feel, that this fling, is for real and now.
We're in a whole new world
And I hope that you don't wanna go back again.
