Il Divo, Rejoice

[Sebastien:]
Where did I misplace my faith?
Where did I set it down?
Which one, the day that I forgot what this was all about?

[David:]
And I came so close to throwing it all away,
But I'm taking it back again.
So come and rejoice,
Come and rejoice.
What was lost, is found.

[Carlos:]
Cual es el dia en que olvide
Mi fe y mi sentir,
Mi vida fue un sinvivir
La quiero compartir.

[translation:]
Which is the day in which I forgot my faith and my feel, my life was without-living i want to share it..

[David:]
Llegue a pensar
Dejar todo y olvidar,
Pero vuelvo a empezar.

[translation:]
I started to think to leave everything and forget, but i return to begin.

[Urs:]
So come and rejoice,
Come and rejoice.

[Sebastien:]
And you don't even have to make a sound.

[Urs:]
I feel it in your touch, you say it with your eyes.

[Sebastien:]
What was lost, is found.

So come and rejoice,
Come and rejoice.
What was lost, is found.

What was lost, is found.
