

# 10 Years, Proud Of You

Shadows set the mood  
Innocence left the room  
And all i know to do  
Is shed a tear for you

Please don't be ashamed  
Whether you win or lose  
I just want you to know  
That I'm proud of you  
Don't be afraid when  
Your fight is through  
I just need you to know  
That I'm here with you

I can't watch you choose  
To pour salt in your wounds  
Now all I know to do  
Is say a prayer for you

Please don't be ashamed  
Whether you win or lose  
I just want you to know  
That I'm proud of you  
Don't be afraid when  
Your fight is through  
I just need you to know  
That I'm here with you
