John Mayer, Good Love Is On The Way

I'm a lazy lover
Undercover
Wasting time
Then one day this summer
I changed my number
To cut my line

Good love is on the way
I been lonely but I know, I'll be ok
Good love is on the way

3 years broken hearted
But now her ghost is finally gone
I'm done with broken people
This is me
I'm working on (cause I know)

Good love is on the way
I've been lonely but I know, I'll be ok
Good love is on the way

Good to go for wherever I'm needed
Bags are packed and I'm
Down by the door
You can take all the tricks up my sleeve
I don't need them anymore

Good to go for wherever I'm needed
Bags are packed and I'm
Down by the door
You can take all the tricks up my sleeve
I don't need them anymore

Good love is on the way
I've been lonely, lonely, lonely, yeah
Good love is on the way
I've been lonely but I know I'll be ok
Good love is on the way
Oh, Good love is on the way, hey
