Monika Pietrasińska, Gloria

I?ve been looking for the light
Without a searching through to the night
Glory
We?ve been celebrating the life
We both know we?re still alive
Don?t worry

They want you and I survive
They want me to start the fight
For glory

There?s no place to hide
You can fight for the rights
Don?t worry

Tell me where?s my Gloria
I?m still looking for the light
In a tunnel
/2x

I?ve been diving in the sand
Leaving in the world of hate
For glory
I want stay in the ground
But we just missing all around
Don?t worry
Tell me why I want survive
Tell me why we?ve started the fight
For glory?

There?s no place to hide
You can fight for the rights
Don?t worry

Tell me where?s my Gloria
I?m still looking for the light
In a tunnel
/2x

Gloria
I?m still looking for the light
Tell me where?s my Gloria
In a tunnel
