Kajagoogoo, Part of me is you

(VERSE 1)
I'm half open
I'm in two
Holding back
Half of me from you
If you were here
You would probably see
I'm a fraction of the guy
That I want to be
(CHORUS 1)
Part of me is you...
Wo oh wo oh wo oh...
Part of me is you...
Wo oh wo oh wo oh...
Part of me is you!
(VERSE 2)
Let the drum beat out
On another year
The rise of hope
End the flood of my tears
The sun beat down
On the course of time
Help me find a cure
For my incurable mind
(VERSE 3)
Don't let the truth in
It ends the game!
If you do
I know, I'll never be the same
So blank my memory
And black my life
Is it real what I feel?
Am I wrong, are you right?
(CHORUS 2)
Part of me is you...
Wo oh wo oh wo oh...
Part of me is you...
Wo oh!
Part of me is you...
Wo oh wo oh wo oh...
Part of me is you!
Part of me is you...
Wo oh wo oh wo oh...
Part of me is you...
Wo oh!
Part of me is you...
Wo oh wo oh wo oh...
Part of me is you!
Part of me is you...
Wo oh wo oh wo oh...
Part of me is you...
Wo oh!
Part of me is you...
Wo oh wo oh wo oh...
Part of me is you!
