Zara Larsson, Ain't My Fault

Oh my oh my oh my
Oh my oh my oh my
Oh my oh my oh my oh my

It ain't my fault you keep turning me on
It ain't my fault you got, got me so gone
It ain't my fault I'm not leaving alone
It ain't my fault you keep turning me on

I can't talk right now
I'm looking and I like what I'm seeing
Got me feeling kinda shocked right now
Couldn't stop right, even if I wanted
Gotta get it, get it, get it while it's hot right now

Oh my God
What is this?
Want you all in my business
Baby I insist
Please don't blame me for whatever happens next

No I can't be responsible
If I get you in trouble now
See you're too irresistible, yeah that's for sure
So if I put your hands where my eyes can't
see
Then you're the one who's got a hold on me
No I can't be responsible, responsible
It ain't my fault

No no no no no no no
It ain't my fault
No no no no no no no
It ain't my fault

It ain't my fault - you came in looking like that
You just made me trip, fall and land on your lap
Stuntin' bad boy smooth
Body hotter than a summer
I don't mean to be rude,
but I'd look so damn good on ya'

Ain't got time right now
Miss me with that "what's your name, you're sign" right now
It's light outside
I just called an Uber and it's right outside

Oh my God
What is this?
Want you all in my business
Baby I insist
Please don't blame me for whatever happens next

No I can't be responsible
If I get you in trouble now
See you're too irresistible, yeah that's for sure
So if I put your hands where my eyes can't
see
Then you're the one who's got a hold on me
No I can't be responsible, responsible
It ain't my fault

No no no no no no no
It ain't my fault

No no no no no no no
It ain't my fault

Baby 1,2,3
Your body's calling me
And I know wherever you're at
Is exactly where I want to be
But don't blame me
It ain't my fault

So if I put your hands where my eyes can't see
Then you're the one who's got a hold on me
No I can't be responsible, responsible
It ain't my fault
