98 Degrees, Give Me Just One Night (Una Noche

Your lips keep tellin' me you want me
Hold me close all through the night
And I know deep inside you need me
And no one else can make it right
Don't you try to hide your secrets
I can see it in your eyes
You said the words without speaking
Now I'm gonna make you mine

Give me just one night, una noche
A moment to be by your side
Give me just one night, una noche
I'll give you the time of your life
The time of your life
I'll give you the time of your life
Oh baby yeah

Your eyes of passion make me crazy
Your existence makes me wild
I want to loosen up your feelings
See what's hiding inside

Give me just one night, una noche
A moment to be by your side
Give me just one night, una noche
I'll give you the time of your life
The time of your life
Oh yeah, oh baby

Ay qu rico
Me pone loca
Cómo te mueve
Cómo me toca
Tu movimiento
Tu sentimiento
Si, yo te quiero
Te doy la noche
Toda la noche
Ay, vamos

Give me just one night
Give me one night, baby
A moment to be by your side
Give me just one night
Just one night, oh baby
I'll give you the time of your life
I'll give you the time of your life

Give me just one night!
Give me just one night, una noche
A moment to be by your side
(A moment to be by your side)
Give me just one night, una noche
I'll give you the time of your life

Give me just one night, una noche
A moment to be by your side
(A moment to be by your side)
Give me just one night, una noche
I'll give you the time of your life
I'll give you the time of your life
Time of your life, yeah
Oh yeah
