(Everything I do) I do it for You

Look into my eyes and you will see
What you mean to me
Search your heart, search your soul
And when you find me there you'll search no more
Don't tell me it's not worth trying for
You can't tell me it's not worth dying for
You know it's true
Everything I do, I do it for you
Look into your heart and you will find
There's nothing there to hide
Take me as I am, take my life
I would give it all I would sacrifice
Don't tell me it's not worth fighting for
I can't help it there's nothing I want more
You know it's true
Everything I do, I do it for you
There's no love, like your love
And no other, could give more love
There's nowhere, unless you're there
All the time, all the way (yeah... woo!)
Can't tell me it's not worth trying for
I can't help it, there's nothing I want more
Yeah I would fight for you, I'd lie for you
Walk the wire for you, yeah I'd die for you
You know it's true
Everything I do, ohh I do it for you
