Aaliyah, Choosy Lover

Choosy lover
Boy, I'm so proud of you
I'm so glad you chose me, baby
And I'll make you so happy
Thought I had a lover
But I was kidding myself, baby
By the time I learned the truth about it
He was sleeping with someone else
But not you, baby
Choosy lover
Boy, I'm so proud of you
I'm so glad you chose me, baby
And I'll make you so happy
Choosy lover
Boy, I'm so proud of you
I'm so glad you chose me, baby
And I'll make you so happy
'Cause your giving me, giving me security, baby
And you've proven what you said
(Oh)
Never worried about you, baby
Jumping in and out of bed
Oh, but not my, baby
