ABC, The Real Thing

It's cold outside - The night love died
On the night you murdered love
It's cold outside - The night love died
On the night you murdered love
From an early age
I was taught to respect
That a broken heart girl
Ain't a thing you collect
Close your eyes and say
Nothing lasts a day
You're wasting my time
Yet I love to love you
Close your eyes and say
Honour love obey
You're wasting my time
Yet I love to love you
It's cold outside - The night love died
On the night you murdered love
It's cold outside - The night love died
On the night you murdered love
January... February... March and April May
June July sees you go by
I see love walk away
Didn't use a blade
A bullet or a gun
You poisoned the moonlight
When you put out the sun
Close your eyes and say
Nothing lasts a day
You're wasting my time
Yet I love to love you
Close your eyes and say
Honour love obey
You're wasting my time
Yet I love to love you
It's cold outside - The night love died
On the night you murdered love
