Mel C, Can't Stay Tonight

(Unreleased song, performed by Melanie C. Recorded for the Spice Girls album "Spiceworld&

Woke up again today before I got to sleep
And the time has come for me, to say whats on my mind
Something is telling me, I wandered in too deep
And the roses came to late to save the vine

Whatever happens to us
Is gonna happen to us
Baby the feelings gone
We can't go on

(Chorus)
Can't stay tonight
We're in trouble deep
Can't stay no more
Grass has grown around my feet
And I don't think, I can love you anymore
Can't stay tonight

You were the world to me, the sun that warmed the sky
But where the roses grow, they cannot stay and die
Look to your heart and see the truth you can't deny
There's nothing left to say, no need to cry

Whatever happened to us
Was gonna happen to us
Baby the feelings gone
We can't go on

(Chorus)
Can't stay tonight
We're in trouble deep
Can't stay no more
Grass has grown around my feet
And I don't think, I can love you anymore

(Chorus)
Can't stay tonight
We're in trouble deep
Can't stay no more
Grass has grown around my feet
And I don't think, I can love you anymore
Can't stay tonight
Can't stay tonight
