Agent Felix, Baby Got Back

Originally by Sir Mix-A-Lot
Oh my gosh, Joey, look at her butt
Its so plump and round
She looks like one of those punk rockers girlfriends
Well I like big butts and I can not lie
You other brothers can't deny
That when a girl walks in with an itty bitty waste
And a round thing in your face
You get sprung
Wanna pull up front
Cuz you notice that butt was stuffed
Deep in the jeans she's wearing
I'm hooked and I can't stop staring
Oh, baby I wanna get with ya
And take your picture
My homeboys tried to warn me
But with that butt
Me so horny
Ooh, rub all of that smooth skin
You say you wanna get in my Benz
Well use me, use me cuz you ain't that average groupy
I've seen them dancin'
The hell with romancin'
She sweat, wet, got it goin' like a turbo 'Vette
I'm tired of magazines
saying flat butt's the only thing
Take the average black man and ask him that
She gotta pack much back, so
Fellas (yeah), fellas (yeah)
Then turn around
Stick it out
Even white boys got to shout
Baby got back
LA face with Oakland booty [x4]
I like'em round and big
And when I'm throwin' a gig
I just can't help myself
I'm actin like an animal
Now here's my scandal
I wanna get you home
And ugh, double ugh, ugh
I ain't talkin' bout Playboy
Cuz silicone parts were made for toys
I wannem real thick and juicy
So find that juicy double
Mixalot's in trouble
Beggin' for a piece of that bubble
So I'm lookin' at rap videos
Watchin' these bimbos walkin' like hoes
You can have them bimbos
I'll keep my women like Flo Jo
A word to the thick soul sistas
I wanna get with ya
I won't cus or hit ya
But I gotta be straight when I say uhh
Til the break of dawn
Baby, I got it goin on
A lot of pimps won't like this song
Cuz them punks like to hit it and quit it
But I'd rather stay and play
Cuz I'm long and I'm strong
And I'm down to get the friction on
So ladies (yeah), ladies (yeah)
If you wanna role in my Mercedes (oh yeah)

Then turn around
Stick it out
Even white boys got to shout
Baby got back
LA face with the Oakland booty [x4]
So your girlfriend drives a Honda
Playin' workout tapes by Fonda
But Fonda ain't got a motor in the back of her Honda
My anaconda don't want none unless you've got buns hon
You can do side bends or sit-ups, but please don't lose that butt
Take the average black man and ask him that
She gotta pack much back, so
So Cosmo says you're fat
Well I ain't down with that
Cuz your waste is small and your curves are kickin'
And I'm thinkin' bout stickin'
To the beanpole dames in the magazines
You ain't it Miss Thang
Give me a sista I can't resist her
Red beans and rice didn't miss her
So ladies if the butt is round
And you wanna triple X throw down
Dial 1-900-mixalot and kick them nasty thoughts
Baby got back
