Akon, Right Now (Kat DeLuna Remix)

It's been so long
That I haven't seen your face
I'm tryna' be strong
But the strength I have is washing away
It won't be long before I get you by my side
And just hold you, tease you, squeeze you til
What's been on my mind

I wanna make up right na na na
I wanna make up right na na na
Wish we never broke up right na na na
We need to link up right na na na

I wanna make up right na na na
I wanna make up right na na na
Wish we never broke up right na na na
We need to link up right na na na

Girl, I know mistakes were made between us two
And we show our eyes that now even says somethings were true
Why'd you go and haven't seen my girl since then
Why can it be the way it was
'Cause you were my homie lover friend

I wanna make up right na na na
I wanna make up right na na na
Wish we never broke up right na na na
We need to link up right na na na

I wanna make up right na na na
I wanna make up right na na na
Wish we never broke up right na na na
We need to link up right na na na

I can't lie
I miss you much
Watching everyday that goes by
I miss you much
'Til i get you back I'm gonna try
Yes I miss you much
You are the apple of my eye
Girl, I miss you much
I miss you much
I can't lie
I miss you much
Watching everyday that goes by
I miss you much
'Til i get you back I'm gonna try
Yes, I miss you much
You are the apple of my eye
I miss you much
I miss you much

I wanna make up right na na na
I wanna make up right na na na
Wish we never broke up right na na na
We need to link up right na na na

I wanna make up right na na na
I wanna make up right na na na
Wish we never broke up right na na na
We need to link up right na na na

I want you to fly with me

Want you to fly
I miss how you lie with me
Miss how you lie
I wish you could dine with me
Wish you could dine with me
One that would grind with me
One that would grind with me

I want you to fly with me
Want you to fly
I miss how you lie with me
Ohh miss how you lie
I wish you could dine with me
Wish you could dine
One that would grind with me
Ohhh One that would grind (yeah)

I wanna make up right na na na
I wanna make up right na na na
Wish we never broke up right na na na
We need to link up right na na na

I wanna make up right na na na
I wanna make up right na na na
Wish we never broke up right na na na
We need to link up right na na na
