Mina, How The Angel Fly

You just it didnt say goodbye daddy darling
My heart is still calling you
Show me how the angels fly up in heaven darling
so bad Im still missing you
So tell my why you went away
has my love not been enough to stay
You just it didnt say goodbye daddy darling
My heart ist still calling you
Show me how the angels fly up in heaven darling
so bad Im still missing you
In my live its beeing sad to stay
now Im walking on my lonley way
You just it dont say goodbye daddy darling
My heart ist still calling you
Show me how the angels fly up in heaven darling
so bad Im still missing you
In the whisper of the is you
helps me handling all the things to do
You just it didnt say goodbye daddy darling
My heart is still calling you
Show me how the angels fly up in heaven darling
so bad Im still missing you
You just it didnt say goodbye daddy darling
My heart is still calling you
Show me how the angels fly up in heaven darling
so bad Im still missing you
