Alabama, The End Of The Lyin'

You took me for a fool
Then you took me for a ride
You really had me going
Till I looked into your lies
I let you keep me hangin' on
But honey, here's where I get off

It's the end of the lyin'
And I can't stand no more denyin'
It's all over but the cryin'
Honey it's the end of the line

Don't tell me a story
I don't care where you've been
Girl, I'm out for glory
And I won't be back again
I let you keep me hangin' on
But honey, here's where I get off

It's the end of the lyin'
And I can't stand no more denyin'
It's all over but the cryin'
Honey, it's the end of the line

--- Instrumental ---

It's the end of the lyin'
And I can't stand no more denyin'
It's all over but the cryin'
Honey, it's the end

It's the end of the lyin'
And I can't stand no more denyin'
It's all over but the cryin'
Honey, it's the end of the line...
