# Alex Swings Oska Sings, Miss Kiss Kiss Bang

(spoken) Hey Miss Kiss, let us dance
Mrs. Kiss Kiss Bang she's not a fool
extraordinary and oh so cool
when I feel the touch of her sweet lips
I know this is a devil's kiss
She sets my soul on fire with no return
Uh baby just burn burn burn
And I think we're like Mr. and Mrs. Right
So I'll give you my heart tonight
Miss Kiss Kiss Bang come let us sing
Miss Kiss Kiss Bang now let us swing
Shake your sweet sweet sweet little thing
Mrs. Kiss Kiss Bang come on and let us swing
When I look into her eyes the flames grow higher
I know this is a kiss of fire
imagination feeds my hungry heart
gimme your love before we part
and I'm on the way of no return
